Henna-Teck International College

Iba-Town, Lagos State

West African Senior School Certificate Examination

2014 – 2018

WORK EXPERIENCE

Upperlink Limited

Alausa Ikeja, Lagos State

Front-end Web Developer Intern

February, 2023 – till date

- Took an active role in conceptualizing, strategizing, and executing various projects, contributing proactively to each phase of planning and development.
- Engaged in the frontend development aspects of a streaming service web application, contributing to its overall interface and user experience enhancement.
- Successfully recreated numerous expansive live websites, including emulations of Netflix, Flutterwave, Upperlink, and Sky Sports News, among several others.
- Attained proficiency in HTML, CSS, and Bootstrap, with a substantial grasp of JavaScript, showcasing a strong foundation in front-end web technologies.

PROJECTS / ACHIEVEMENTS

- Volunteered as a core member of a dedicated team developing an application tailored for both students and staff within my school. The team operates under the guidance of New Horizon personnel, an institution renowned for its commitment to excellence.
- Assumed a key role within the frontend design team for the aforementioned application, contributing to its user interface and overall design.
- Successfully executed various mini-projects as part of my enrolled web development course on Udemy, further enhancing my proficiency in the language.
